# ADDRESS

## PRINCIPAL/AD ADDRESS - PERSON'S NAME

This is sample text that I am writing because I can. Why wouldn't Mrs. Shepherd or Mr. Middleton want to write a whole bunch of words to fill in here?

Thirty-one. Now three. Okay, five. Six. Seven. Eight. Nine. Forty. If I keep going, I bet I can hit one hundred. Let's try. Scooby Snacks are delicious. This is hard. Can you believe we are only at sixty-nine words? Seventy. CAN I MAKE IT? Doubtful. Another twenty words or so to go. I can do it! Or

can I? Maybe. Just another ten words to go - almost there! Dang I'm good. Over one hundred now! Better fill out this line a bit so it looks a little more uniform. This space is now just placeholder. Do you see that there are quarter page ads underneath this? It just works, am I right? Now it's uniform again!

# RULES AND HAND SIGNALS

## Understanding the Officials' Hand Signals

In volleyball, there are generally 2 officials. The first referee directs the game from a stand and a second referee stands opposite near the net. A whistle is blown to initiate and to end each play. The official will first signal the fault or cause of the play ending, and then signal which team won the point. This is a summary of hand signals that accompany the whistles.

**Point**  
Winner of the rally. One finger raised on the side of the court that won the rally.

**Ball in bounds**  
Pointing to the area of the court where the ball landed.

**Out of bounds**  
Ball is out of bounds, outside antenna or player illegally in adjacent court.

**Touch**  
Ball is out of bounds after contacting a player.

**4 contacts**  
Four fingers up. You only get 3 contacts.

**Carry**  
Held, thrown or carried ball. Too much contact time.

**Double hit**  
Two fingers up. Ball contacted more than once by a player. The block does not count.

**Begin Service**  
The official indicates that the server may now serve.

**Net violation**  
The serve or a player touches the net.

**Play over**  
Two thumbs up. A fault by both teams, a serve over or official's inadvertent whistle or mistake.

**Time out**  
Each team gets two 60 second time outs per game.

**Over the net**  
Contacting the ball before it has broken the plane of the net or before the opposition hits it.

**Out of rotation**  
At the time of service you must not overlap the person directly next to you.

**Back row attack**  
Attacking the ball above the net and leaving from in front of the 3 meter line.

**Sanction card**  
A yellow card is a warning. A red card is a point. Red and yellow together is an ejection.

**Change sides**  
Between games or halfway through a deciding game.

**Game over**  
Same for the end of the match.

Volleyball Lingo	Translation
"Ace"	When the ball is served to the other team, and no one touches it.
"Sideout"	When the team that served the ball makes a mistake, causing the ball to go to the other team.
"Roof"	When a player jumps above the height of the net, and blocks the ball.
"Stuff"	When a player jumps about the height of the net, blocks the ball, and the ball goes back at the person who attacked(spiked) the ball.
"Dig"	When a player makes a save from a very difficult spike.
"Kill"	When a team spikes the ball and it either ends in a point or a sideout.
