

Sadly, there are many conflicts going on in the world today. This is why peacekeeping is so important. Look at the map of the countries of the world. Can you identify any areas where there is currently a conflict? Colour in conflict areas/countries and label the countries involved.

**World conflict map**

Now share your ideas with the rest of the group and list them below:

**UN peacekeeping**

- 64** Years of peacekeeping (1948-present)
- 67** Peacekeeping operations since 1948
- 16** Current operations (2012)
- 120,000** Personnel serving in current peacekeeping operations
- ONE** Nobel peace prize

**Challenge task!**

Choose one conflict that you have highlighted on your map. Can you explain some of the reasons why this conflict has happened?
